The Gulf Coast Community Services Association, Inc. invites you to attend a public virtual meeting on the proposed 2024 Community Services Block Grant spending plan. The Community Services Block Grant program supports activities that help eligible low-income individuals and families remove obstacles and solve problems that block self-sufficiency. A range of services are made available to assist participants with obtaining education, training, employment, transportation, proper nutrition, adequate housing, and referrals to partner agencies.

The plan outlines eligibility requirements and activities to be implemented for the targeted population and residents of Harris, Brazoria and Galveston County are invited. The hearing is an opportunity for citizens to ask questions and offer comments for the proposed 2024 program plan.

Community Action is the nation's only comprehensive poverty-fighting program. Nationally, there are over 1,000 other anti-poverty Community Action organizations in communities large and small. As Harris, Brazoria and Galveston County's Community Action Agency, Gulf Coast Community Services Association, Inc. is dedicated to providing opportunity and economic advancement to the most vulnerable residents in the Greater Houston area.

Join the Conversation. Come prepared to share your input.

Note: If you are unable to attend the virtual hearing but would still like to submit a topic for consideration, please e-mail your comment and any supporting documentation to thomast@gccsa.org.

Thank you in advance!
